

CORPORATE PROFILE – TROPICAL AGRO

Revolutionising Agriculture. Empowering Farmers. Enriching Lives.

With over **55 years of expertise**, Tropical Agrosystem (India) Pvt. Ltd. is revolutionising Indian agriculture through innovative, sustainable, and science-backed crop protection and plant nutrition solutions. Established in **1969** and part of the century-old **Jhaver Group**, the company offers a comprehensive portfolio across **Chemical, Biological, and Organic segments**, dedicated to promoting **responsible, environmentally-conscious farming practices** and empowering farming communities nationwide.

From **modest beginnings**, Tropical Agro has swiftly evolved into one of **India's premier agricultural brands** and is today among the **fastest-growing crop management companies** in the country. It ranks among the **top 5 agri-input companies in India** and, along with **JU Agri Sciences**, it is ranked the **2nd largest homegrown agri brand**, with a consolidated turnover of nearly **USD 200 million**.

Our impact reaches **over 8 crore farmers** through a robust network of **20,000+ dealers and retailers**, **4,000+ field assistants**, and **1,100 employees**. Our expansive portfolio of **300+ crop solutions**, including **50+ certified biological products**, addresses every stage of farming—from **seed treatment to post-harvest care**.

Tropical Agro has the **largest range of innovative agricultural solutions** that are **end-to-end, user-friendly, resource-efficient, and economically viable**. These solutions nurture **optimal crop growth, enhance soil health, and protect crops, seeds, and harvests**, ensuring higher productivity and long-term sustainability.

Recognised for its excellence in innovation and environmental stewardship, Tropical Agro has earned prestigious awards from **ICFA, AIASA, IEDRA, and BioAg India**, and is certified by global standards including **ISO 9001:2015, ISO 14001:2015, ISO/IEC 17025:2017, ISO 45001:2018, WHO-GMP, NABL, DSIR, IMO, BIS, FAO, FCO** and **TÜV SÜD South Asia**.
